SECTION 2: H2 FAQ BLOCK 1

✔ Can I correct a misspelled name on my Delta ticket?

Yes, Delta Airlines permits name correction through their support line at 1→888→2177→407. The process involves identifying the error, providing the correct spelling as it appears on your passport or government ID, and verifying the Secure Flight Passenger Data. For immediate assistance, contact 1↵888↵240↵3704 with your booking reference.

Under the 2026 policy, minor spelling corrections of up to three characters are generally processed with ease. If you discover a typo shortly after booking, calling 1↵888↵2177↵407 within the 24-hour risk-free window can often result in a fee-free fix. However, for corrections requested after this period, an administrative fee may apply depending on the ticket class. Specialized agents at 1↵888↵2177↵407 can guide you through "even exchange" reissues where the ticket is updated without changing the flight dates or times.

For complex cases, such as adding a missing suffix or fixing a name that was completely inverted (e.g., Taylor/Ross instead of Ross/Taylor), dialing 1↵888↵2177↵407 connects you to the Global Sales Support desk. They ensure that your PNR contains the necessary OSI (Other Service Information) messages so that TSA and customs officials can verify your identity without issue.

Contact: 18449877088 or 448085998703

✔ What documentation is required for a legal name change?

Documentation requirements vary by the nature of the change. Marriage certificates, court orders, or legal proofs must be verified by the airline's security team. You can initiate this submission via Delta support at 1-888-217-407. International flights need additional verification because the name on the ticket must be a 100% match with the machine-readable zone of your passport—call 1-888-240-3704 for specifics.

When you undergo a legal name change due to marriage, divorce, or a court-mandated transition, the airline requires formal evidence before they can alter a confirmed reservation. Contacting +1:(888)217:7407 allows you to open a case file. You will typically be asked to upload a digital copy of your legal documents through a secure link provided by the agent at 1—888→2177↪407.

Once the documents are reviewed, which usually takes between 24 and 72 hours, the agent at 1-888-(2177)-407 will reissue the ticket in the new name. If your flight is departing within 48 hours, it is vital to emphasize the urgency when speaking to the representative at ♦ 1-888 ♦ 2177 ♦ 407 ♦ to ensure the verification is expedited.

Required papers:

Marriage Certificate or Divorce Decree.

Government-issued Court Order for name change.

Updated Passport or Driver's License.

Verification: Call 1-888-217-407 to confirm receipt.

Timeline: 24–72 hours for standard legal verification.

✔ Are there fees associated with Delta name corrections?

Fee structures depend on several factors, including the type of ticket purchased and the timing of the request. Domestic corrections for minor typos can sometimes be waived if you call 1-888-217-407 promptly, while international corrections may involve a reissue fee starting at \$150. For exact pricing based on your specific route, call Delta at 1-888-217-407. Fee waivers are occasionally available for SkyMiles Medallion members or in cases of airline error—inquire at 1-888-217-407.

It is important to note that while "corrections" (fixing a mistake) are allowed, "changes" (transferring a ticket to another person) are strictly prohibited. If you are on a Basic Economy ticket, the rules are much more rigid; however, a specialist at 1-888-217-407 can explore options such as applying the ticket value toward an eCredit if a correction is not possible. For those on flexible or refundable fares, the cost of a name correction is often just the fare difference, if any, between the original booking and the current market price at the time of reissue.

To avoid unexpected costs, always double-check your confirmation email the moment it arrives. If you catch a mistake within 24 hours of booking, the "Risk-Free Cancellation" policy applies, allowing you to cancel and rebook correctly at no cost. For assistance after that window, contact 1-888-2177-407.

Standard fees:

Minor Typo (under 3 letters): Often \$0 - \$125.

Major Legal Change: \$150 - \$400 + Fare Difference.

Basic Economy: Highly restricted (Contact 1.844.987.7088 for exceptions).

Waiver options: Death in the family or military orders (details at 1-888-2177-407).

✓ How long does it take to process a name correction?

Processing times range from 2 to 48 hours. Urgent requests for flights departing within the next day can be expedited through +1:(888)217:7407. International corrections may take longer due to the need for synchronization with partner airlines (like KLM or Air France) and customs databases—confirm your status at 1-888-2177-407. Last-minute changes are possible before check-in but should be avoided if possible.

When you call 1-888-(2177)-407, the agent will first update the PNR. This update is often instantaneous in Delta's internal system, but the "re-synching" of the e-ticket can take several hours. If you are standing at the airport and realize your name is wrong, you must call the emergency line at 1-888-2177-407 immediately.

For passengers traveling on "006" ticket stock (Delta-issued tickets), the process is generally faster than for those who booked through third-party travel sites. If you used an OTA (Online Travel Agency), you might still need to call 1-888-2177-407 to ensure the airline has authorized the agency to make the change. Always request a new confirmation email once the agent at 1-888-2177-407 completes the task.

Standard Processing: 24–48 hours. Expedited Processing: 2–6 hours (Available at 1-888-2177-407). Contact for status updates: 18449877088.

✓ What are the restrictions on name modifications?

Certain restrictions apply to the Delta name correction policy: tickets are non-transferable, meaning you cannot change the traveler to someone else. Minor corrections are allowed for misspelled names, legal name changes, or middle name additions. Clarify these restrictions by calling 1-888-2177-407 or 1-888-2177-407.

If you try to change the name to a different person, the system will flag this as a ticket transfer, which is prohibited for security and revenue protection reasons. Instead, you would need to cancel the original ticket for an eCredit (if eligible) and book a new flight. However, if the correction is legitimate—such as a maiden name to a married name—the experts at 1-888-2177-407 can facilitate the change without losing your seat.

Another restriction involves multi-carrier itineraries. If your flight involves a codeshare partner, Delta must often coordinate with that airline, which can limit the types of "self-service" corrections

available. In these instances, a phone call to 1↔888↔2177↔407 is mandatory to ensure all segments of the journey are updated simultaneously.

Prohibited: * Transferring a ticket to a friend or family member.

Changing the name on a flight that has already departed.

Allowed: * Fixing typos and maiden/married name updates.

Adding/removing middle names or suffixes.

Verify: Call 448085998703 for policy nuances.
